

24-Way Small Lockable Wall Box (IP65-rated)

FEATURES:

- Up to 24 fibre
- Removable splice tray for easy installation
- Multiple adapter options available
- 6 adapter positions
- IP65-rated
- Integrated bend radius protection
- Sealing glands for up to 24 exiting cables + 1 incoming cable
- Lockable door
- ROHS, REACH & SvHC compliant
- Supplied with 24 heatshrink splice protectors, transit tubing, wall fixings and tie wraps

The 24-way small lockable ABS wall box offers the ability to terminate 24 fibres in a IP65-rated housing. It is suitable for both 6 x SC Duplex and 6 x LC QUAD adapters and can be used internally and externally. Offers up to 12 exit points for patching cables and 1 standard cable entry point for loose tube, tight buffered, preterminated and steel tape armoured cable. Each enclosure has integrated strength member tie positions and bend radius protection with the addition of a removable front door, allowing for quick and easy installation.
